**Questions for City Council Candidates**

1. What life/work experience do you feel qualifies you to run for this position?
2. How long have you lived in the Lebanon area, and what civic organizations have you served or supported in the area prior to running for elected office?
3. What do you believe is the most important issue facing the City of Lebanon, and if elected, how do you plan to address it?
4. The current City Council recently passed an ordinance establishing Lebanon as a Sanctuary City for the unborn. If elected, will you support this law or will you seek to overturn it?
5. As a council member what policies would you support to encourage companies, large and small, to open their business' in the City of Lebanon?
6. As a Council Member, how can the City best prepare for future growth, and what role should the current City Council have in preparing residents for the next 20 years.
7. Given the political division in our country, how do you plan to work with and collaborate with other Council Members who may disagree with you on particular issue?
8. Why are you the best candidate to run for City Council?
