As a small to mid-sized business, are human resource issues weighing you down?

Hunter PEO offers the perfect solution! Increase your profitability and reduce your liability by outsourcing many of your human resource and payroll needs.

Businesses today need help managing increasingly complex employee related matters such as health benefits, workers' compensation claims, payroll, payroll tax compliance and unemployment insurance claims. That is where we come in. Now, you can focus on the operational and revenue-producing side of your business.

What is a PEO?

Professional Employer Organizations (PEO's) enable clients to cost-effectively outsource the management of human resources, employee benefits, payroll and workers' compensation. PEO clients focus on their core competencies to maintain and grow their bottom line.

A PEO provides integrated services to effectively manage critical human resource responsibilities and employer risks for clients. By establishing and maintaining an employer relationship with the employees at the client's worksite and by contractually assuming certain employer rights, responsibilities and risk, Hunter PEO makes your life easier.

The Incredible Value of PEO services:

- Relief from the burden of employment administrations
- A wide range of personnel management solutions
- Improved employment practices, compliance and risk management
- Access to comprehensive employee benefits package, allowing clients to be competitive in the labor market
- A team of professionals will provide assistance to improve productivity and profitability

Your Bottom Line. Our Mission.

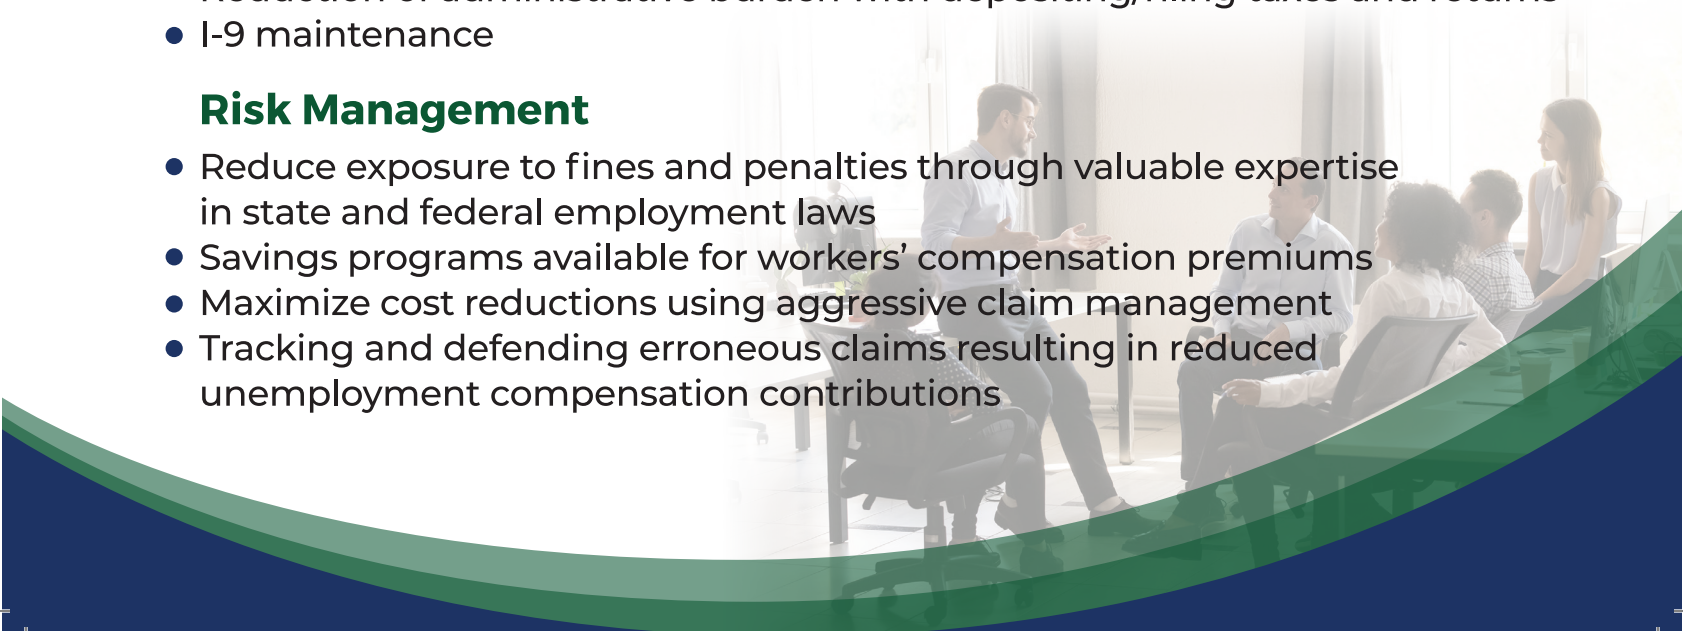

- We take over the non-revenue producing activities by providing administration services, access to a self-insured workers' compensation program, resulting in reduced liabilities
- Results driven approach yielding reduced unemployment and workers' compensation insurance rates
- Lower costs passed along to you as we execute employment related filings and compliance requirements
